We're Stepping Along at Sheridan High

The members of the annual staff for 1959 *are proud to present this yearbook to you. We should like to show you the many places where our steps have taken us this year.*

The 1959 Syllabus

Yes, Stepping Along With Sheridan In All

Are you hungry?

Seniors take a lot of steps selling hot dogs, coffee, and candy during the football games.

The grade students buy candy during the noon hour.

Our speech class put on a skit to illustrate how our opponents were to be beaten.

Quiet everyone, the announcements of today are being given in the assembly.

What can a penny buy?

The Many Events

Meeting place every morning.

Spin those hula hoops!

The Team's Bench with the Stars of Tomorrow.

Stepping Along

The noon assembly — Meeting place for budding romances.

Through The Year And Having Fun

Another successful pass play for a touchdown.

No matter how hard we work, we still have our time for fun. The noon-hour gives us a welcome rest and a chance to talk without being called upon. Every Friday night we cheer our mighty Blackhawks on to victory. Who can forget the wonderful dances and other social events sponsored by school organizations?

Stepping Along In Our Classes

Don't drop that ball.

This year and our other eleven years have been fun, but there have been times when you must study. Those nights just before a big test were the toughest. Maybe studying for those tests did do us some good; we passed. Of course there were values we learned, getting to class on time, handing in the required work, and learning to speak only when spoken to.

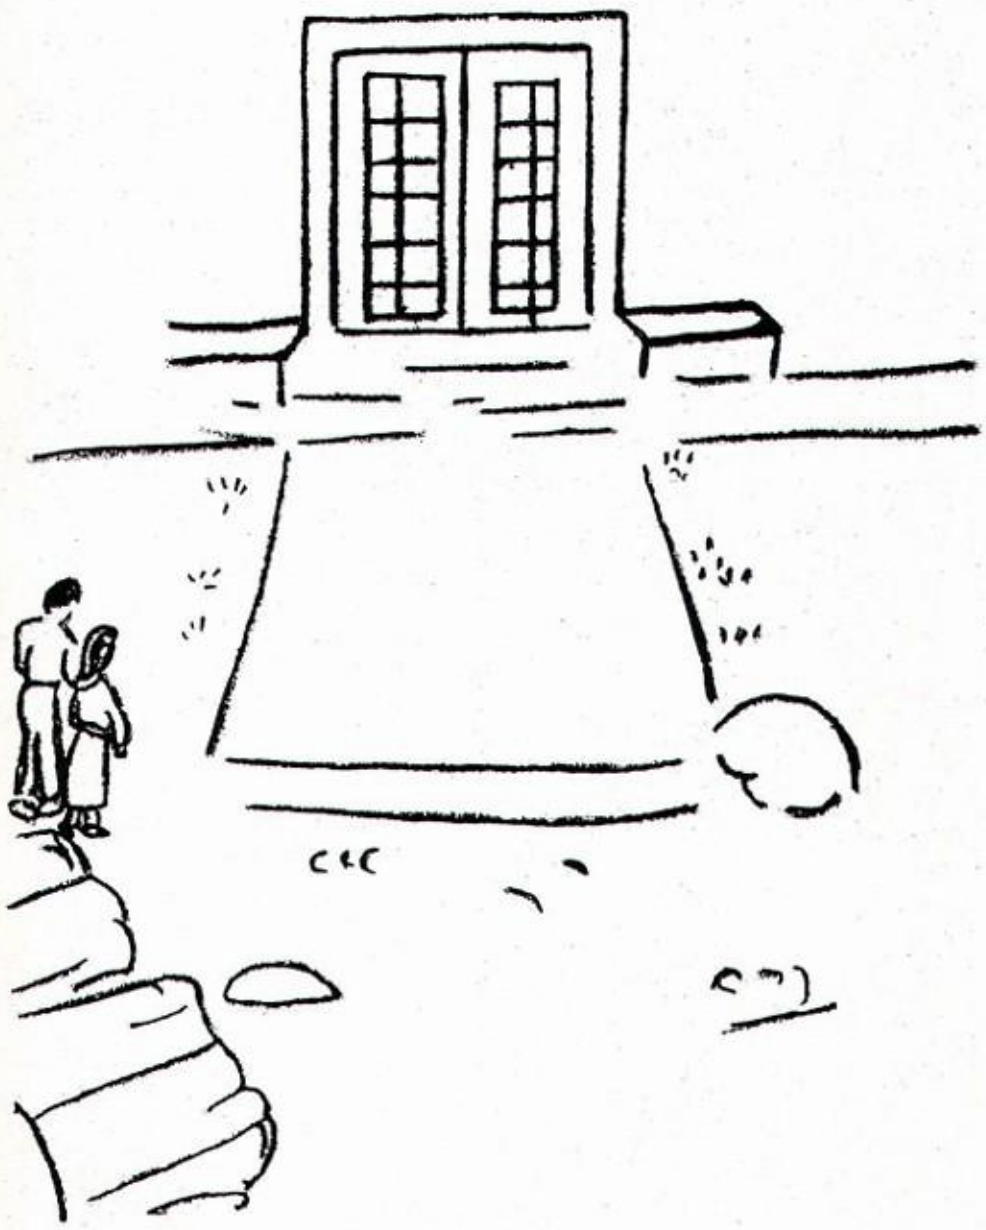
Is the test hard?

What are you making?

Students today — citizens tomorrow.

What is the teacher explaining?

Stepping Along With The People



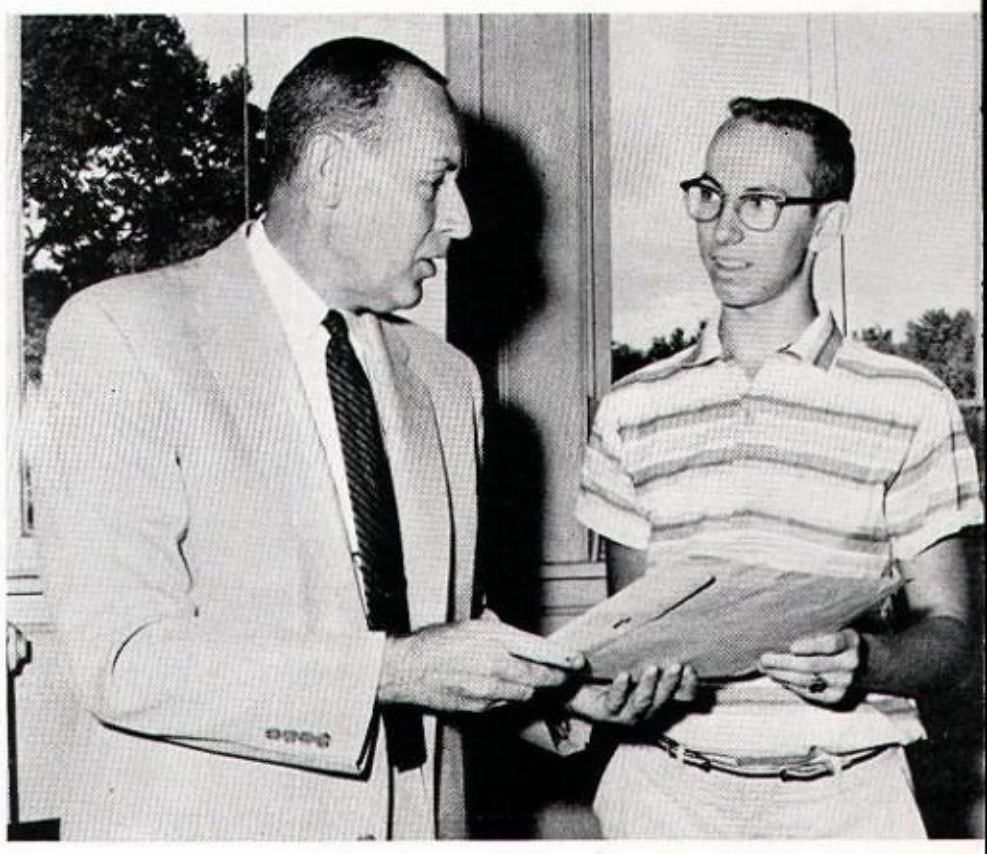
As we near the end of our senior year, we are thankful to the many people who have helped guide our footsteps. To Mr. Hobbs and the teachers who have shown us the proper paths to follow, we wish to express our appreciation.

LARRY HOBBS

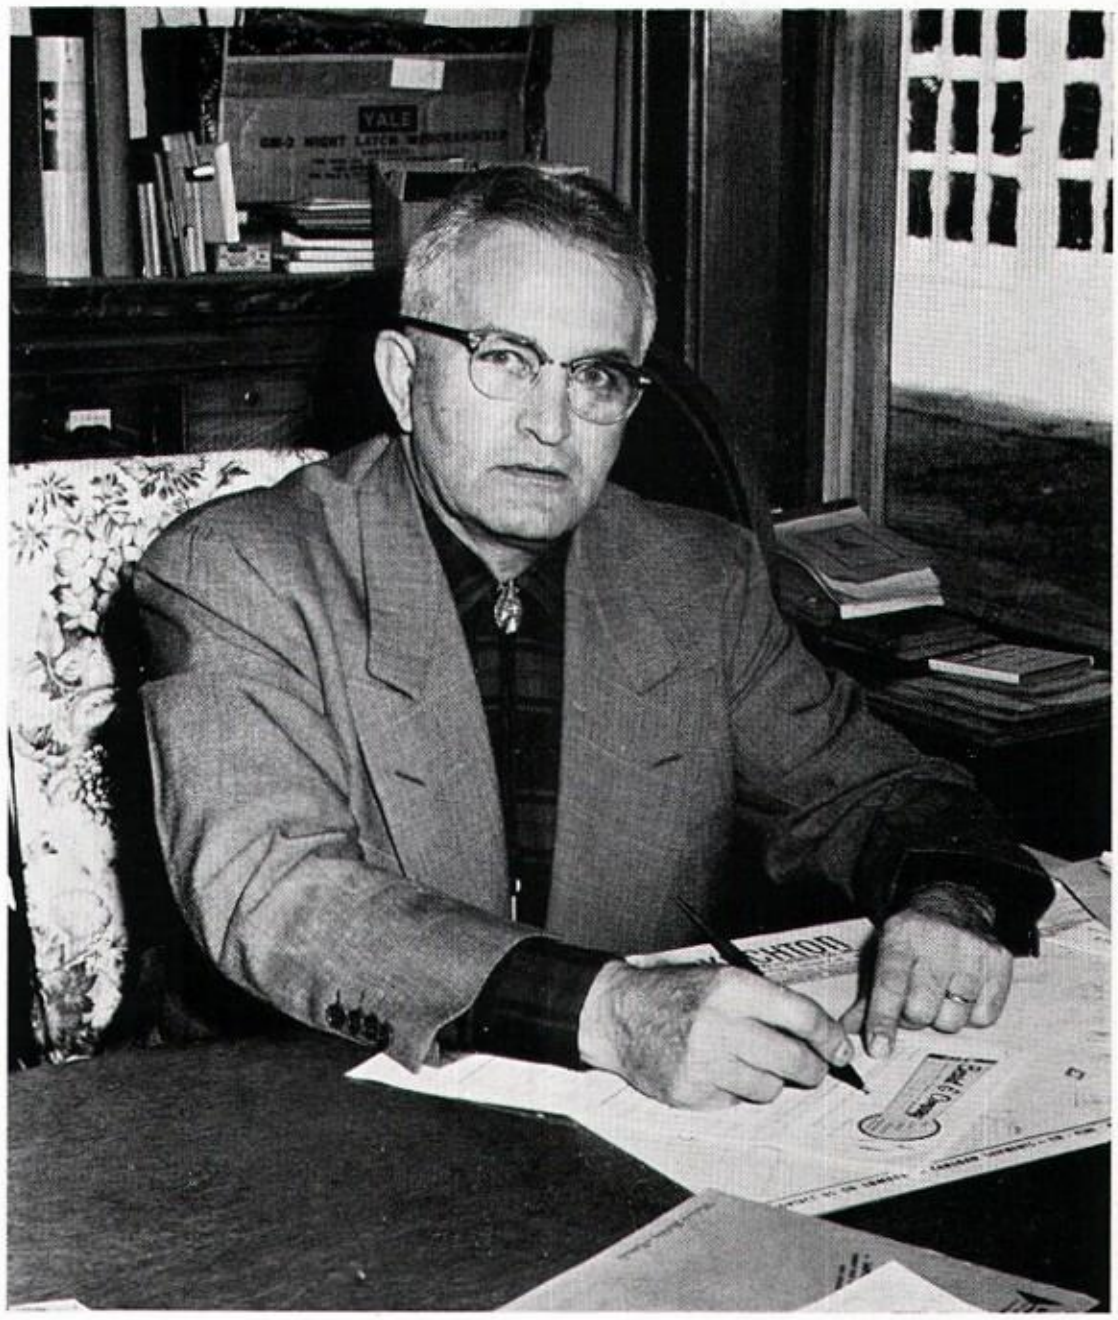
Ball Stae, B.S., Indiana University, M.S.; Basketball Coach.

Mr. Hobbs — Our Principal

We, the students of Sheridan High School wish to express our sincere thanks to our friend, Mr. Hobbs. From the first grade through the twelfth he has helped us in his many ways. His co-operation and advice have helped us to attain our high school education.



Bob discusses the possibilities of receiving a scholarship.



Mr. Raquet at his desk as manager of the Talbert-Roessler Lumber Company.

Our Trustee

Although Mr. Raquet has been our trustee for only a short time, we already appreciate the many services he has done for our school. He has won many new friends with his warm smile and friendly greeting. We are sure that he will serve our school long and faithfully.

Do you mean they are actually studying?

Watch it girls, the floor is shaking!

Although we can no longer see Jean Ann Lambert, touch her hand, or laugh with her, in our memory she remains.

We, the Class of 1959, feel that the following poem by James Whitcomb Riley best expresses our feeling for Jean Ann, our friend and fellow classmate, who passed away December 13, 1957.

I cannot say, and I will not say
That she is dead — she is just away!
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there.
And you — O you, who the wildest yearn
For the old time step and glad return,
Think or her faring on, as dear
In the love of There as the love of Here;
Think of her still as the same, I say,
She is not dead — she is just away!

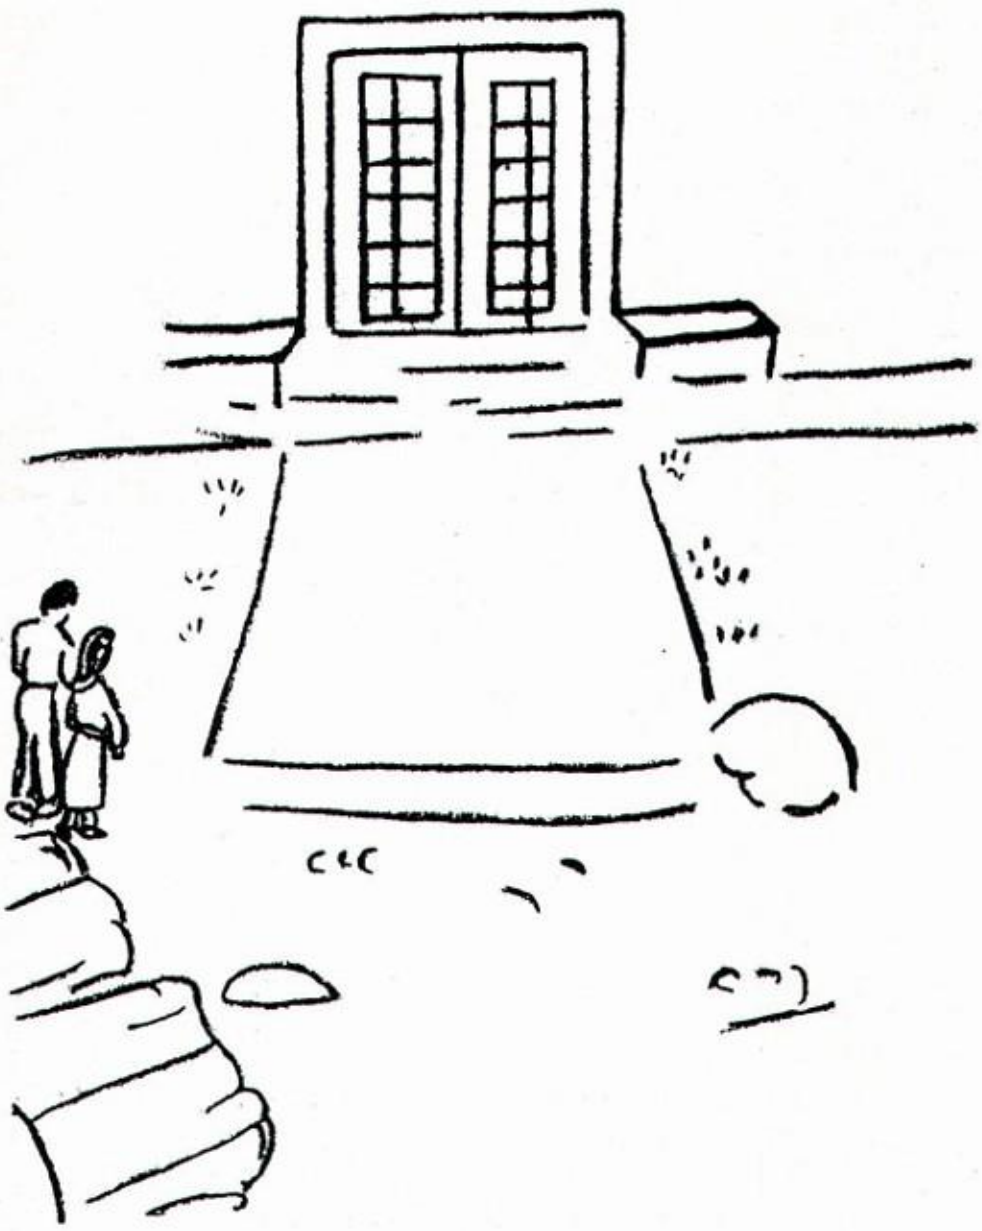
Stepping Along In Our Activities



As we are nearing the top steps, we are glad to look back and see that school hasn't been "all work and no play". The many activities of SHS make school more interesting and fun. There is always an organization to fit your interest: from future homemaking and farming to the Latin and Science Clubs. Please join us and climb the steps to Sheridan's activities.

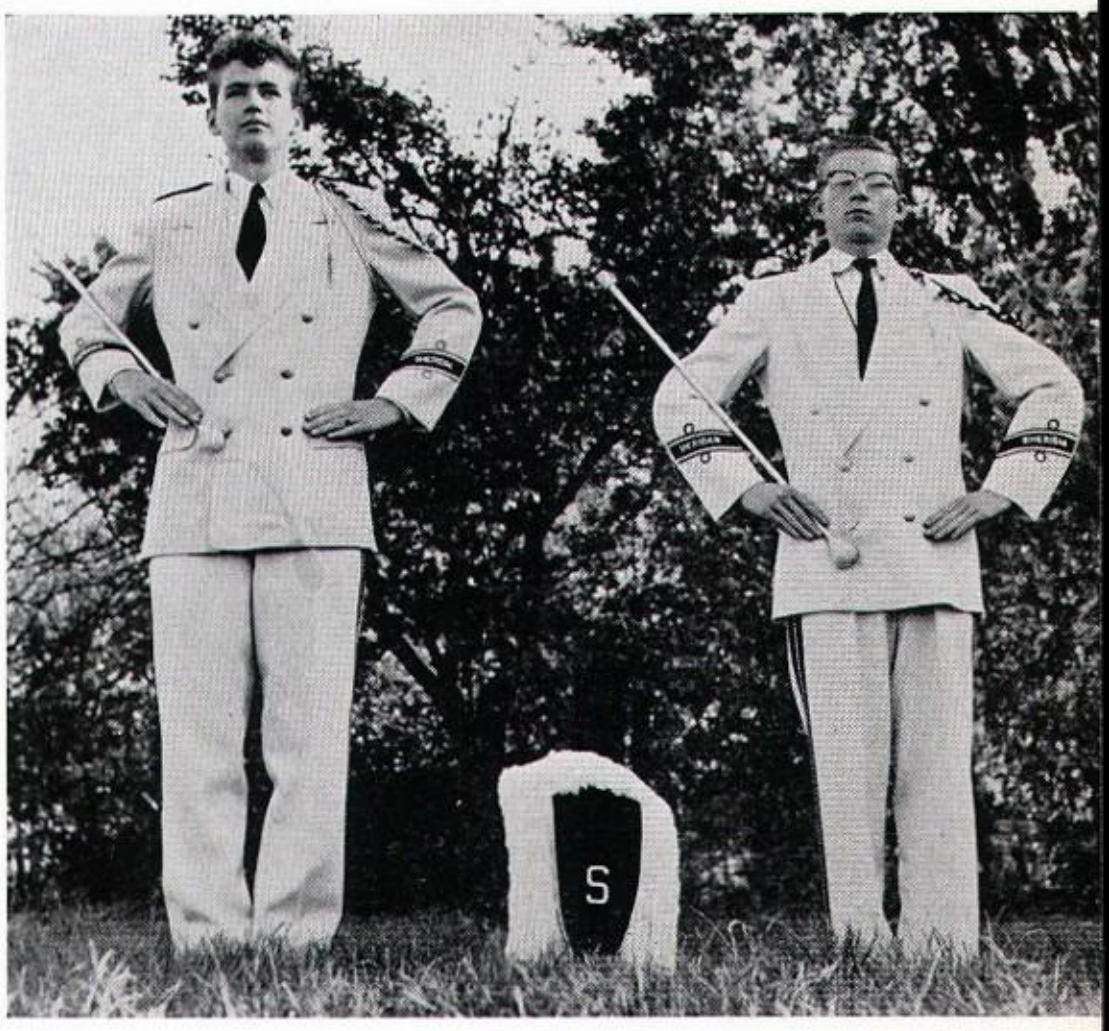
The Sheridan High School Band has won a first place rating in the band contest for the past three years, and will be trying to get the fourth one this year. We are very proud of the band members who participated in the solo and ensembles, contest each year. The band will be hosts to the Zealand Michigan band who will present a concert before our student body on May 1. Zealand was a very gracious host to our band last year on our spring tour.

Drum Majors



James Bragg is our drum major this year and his assistant is Kirk Hoggatt. Both of them work hard to make our band out-standing. These boys have attended the Smith Wallbridge drum major camp. Both have had experience in directing and helping the band.

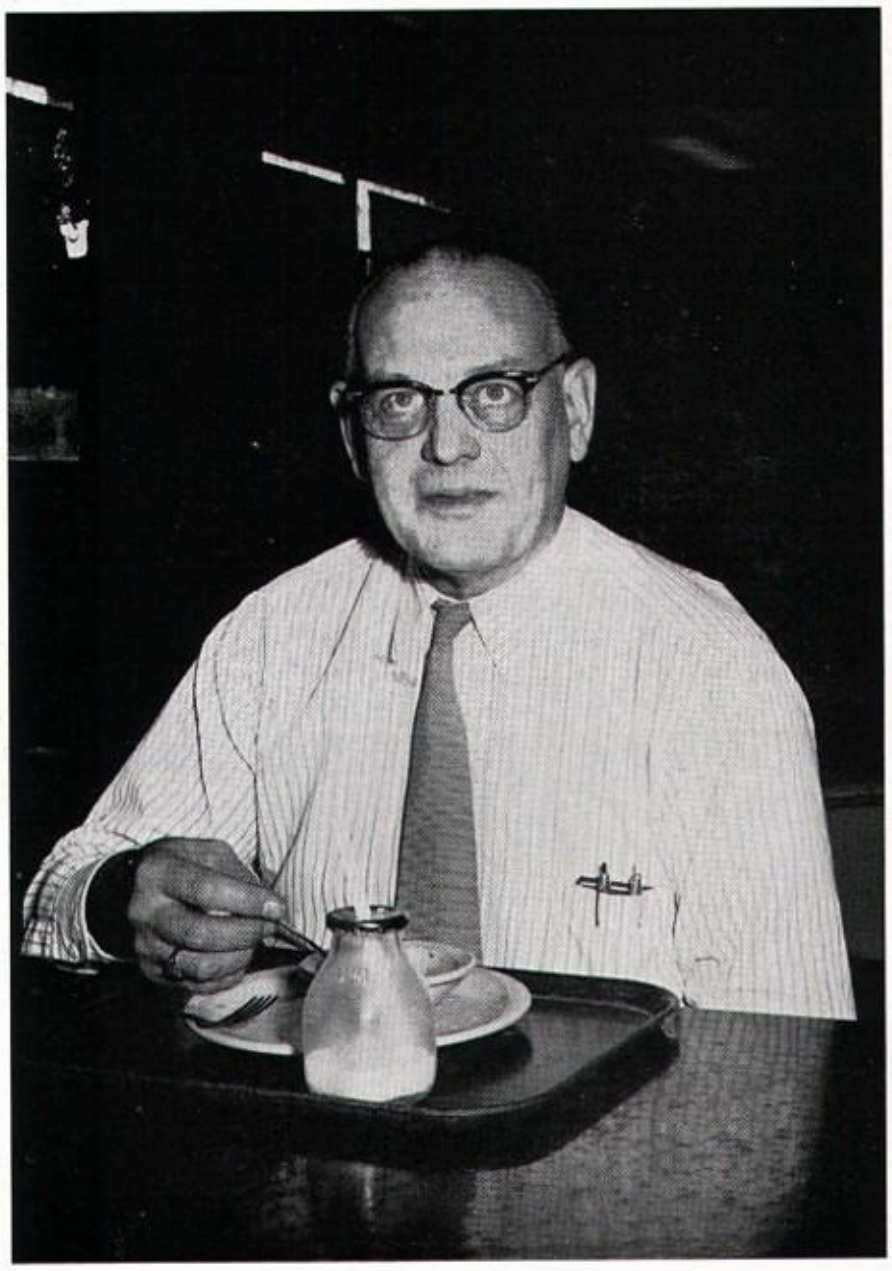
Orchestra at practice.

Mr. Van Sickle- Our Director

Mr. Van Sickle has been the band director at Sheridan for seven years. He has improved our orchestra very much. This year's orchestra is a young one and each of the members are willing to work hard to improve it.



The Orchestra

The high school orchestra is composed of about 20 players who want to increase their knowledge in music. The orchestra starts the season by playing at the Senior Play. They also can be seen playing at the Honor Society, County Festival, District Music Contest, Junior Play and completing the year by playing at the Baccalaureate.

The whole school should be proud of the orchestra, though small, it is the only one in the county.

Junior Band

We are proud that our school has a Junior Band. This is a chance for the grade students to play musical instruments as a group. The band is small in membership but good in quality of tone.

Junior Class Play

On March 31, 1958, the Junior Class presented the play "I'm A Family Crisis", a comedy in three acts. A chatterbox, named Peggy, finds only trouble. When she vows not to speak for 2 days in order to join a school club, she is almost taken to a sanitarium.

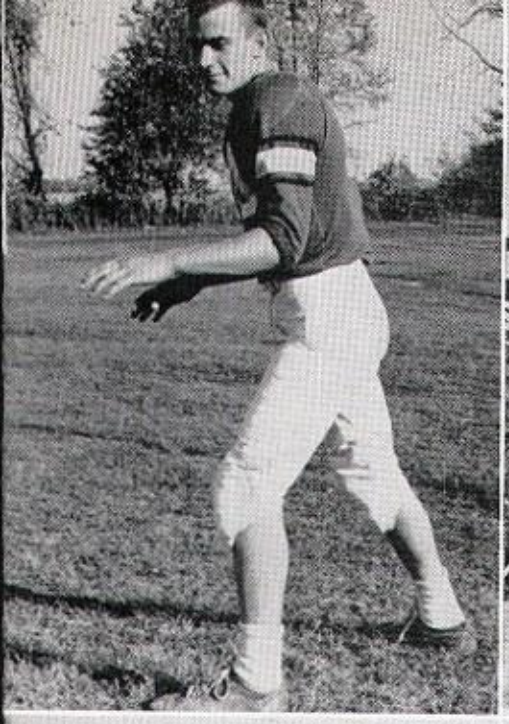
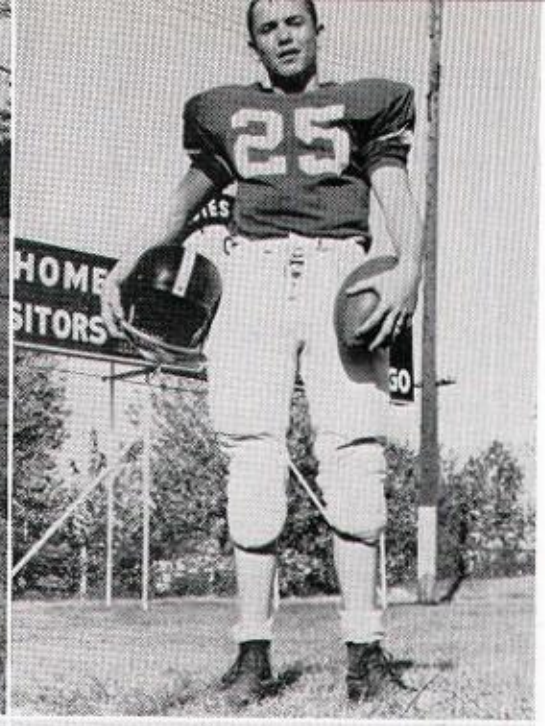
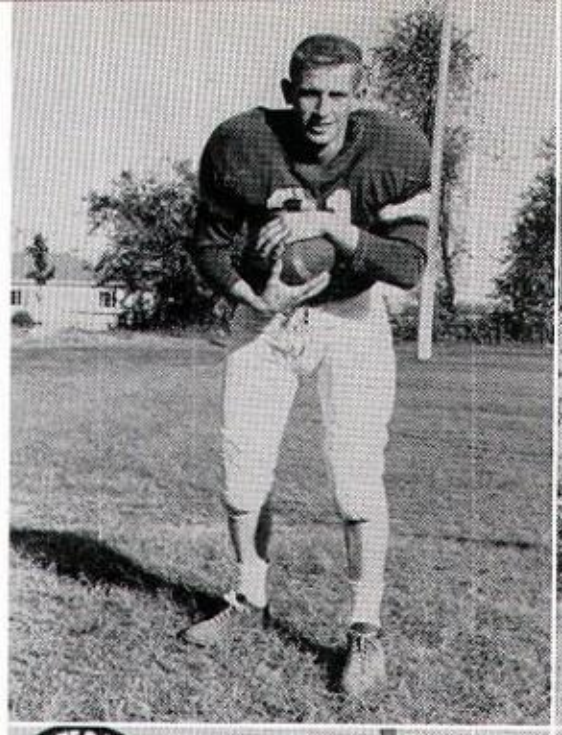
Hawks in Action.

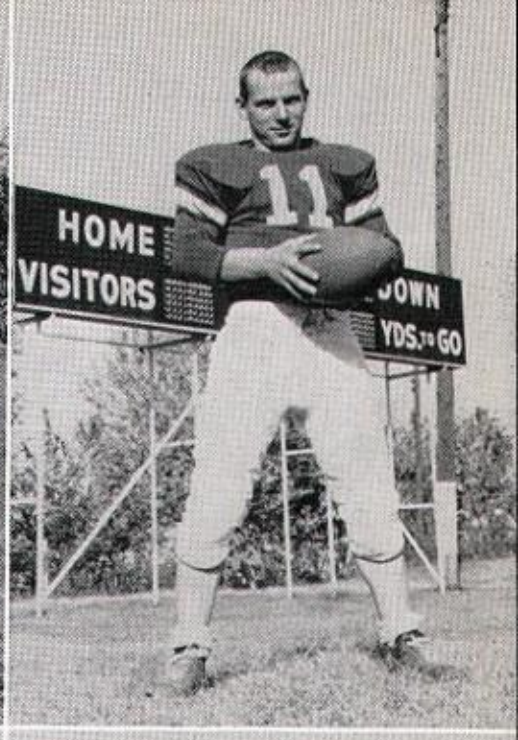
Football Team

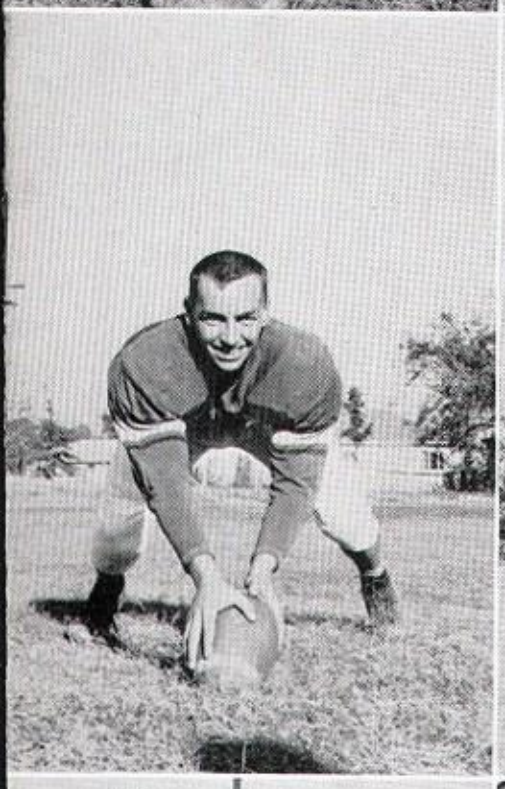
The Hawks had an impressive season with six wins, three losses, and one tie record. The hawks of 1958-59 wish Mr. Day lots of luck next year.

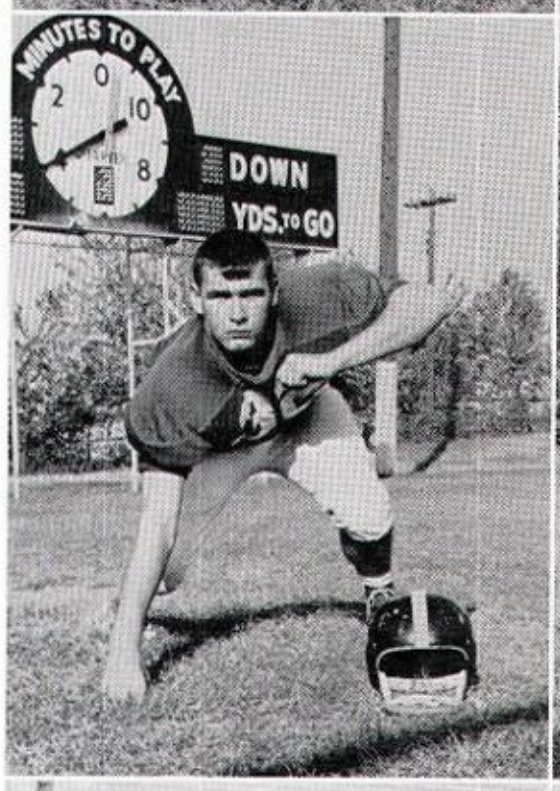


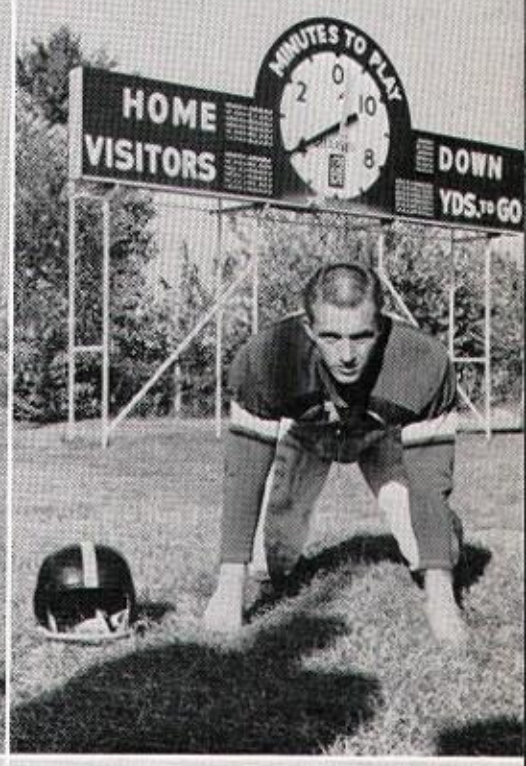


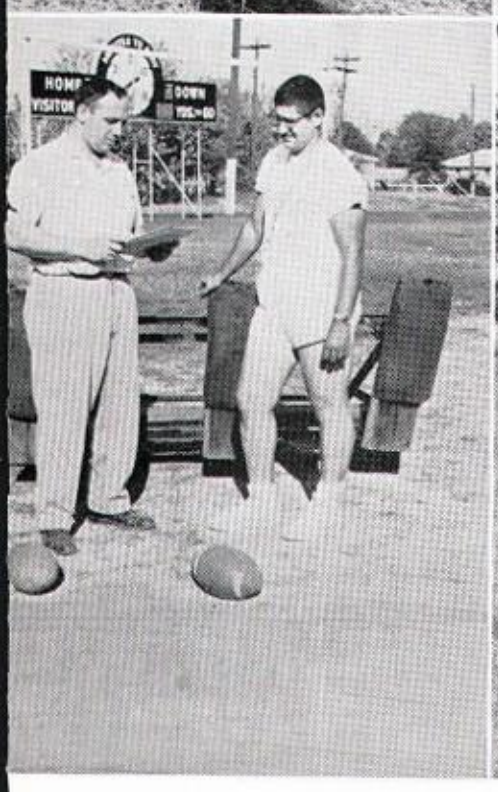


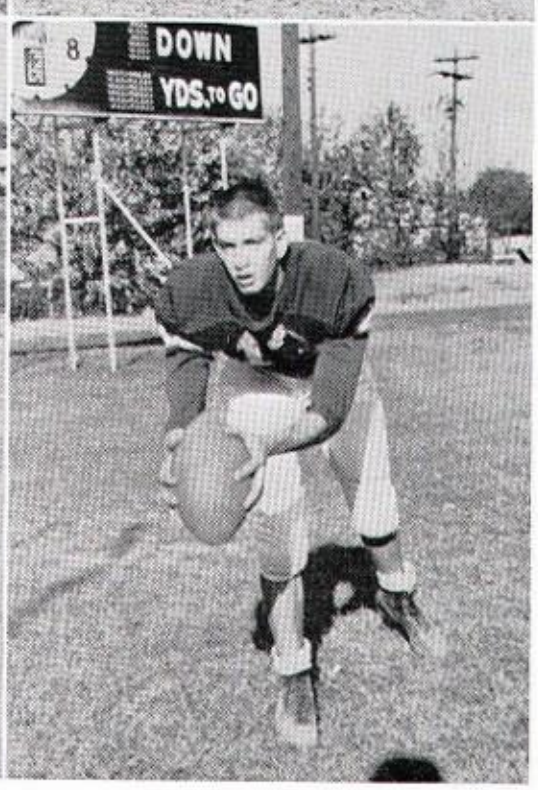


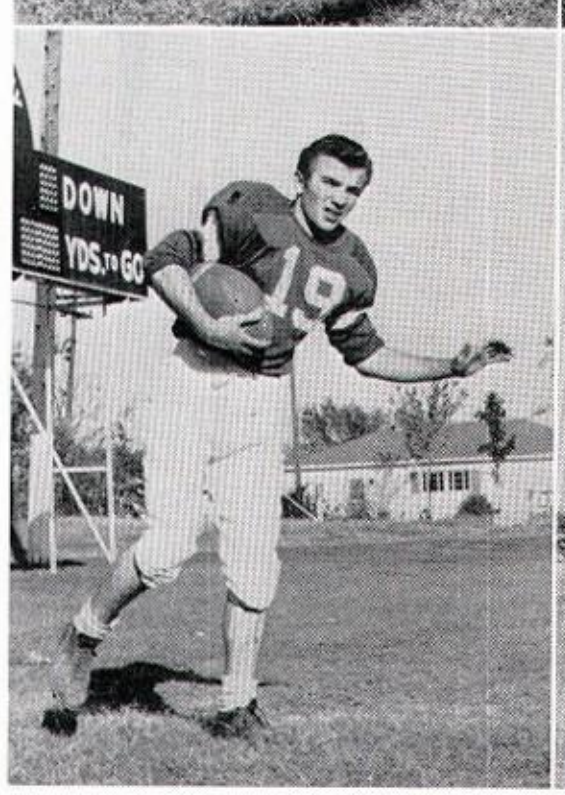


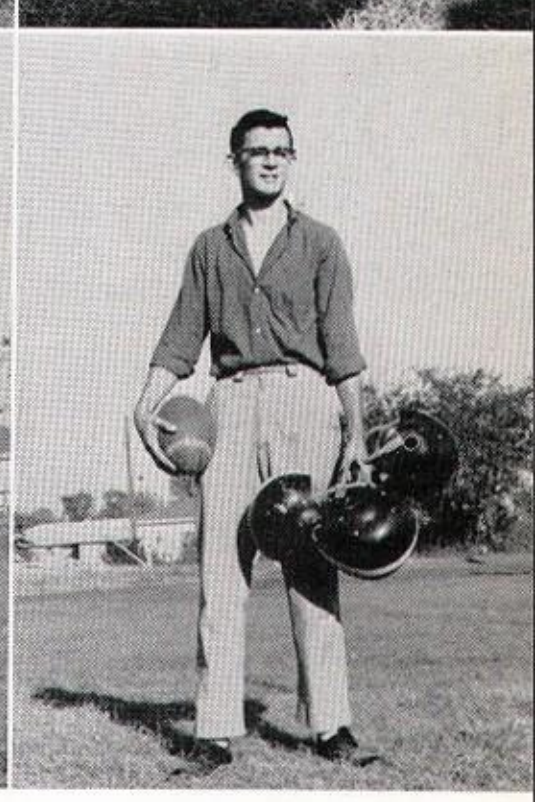












LEE BRACKINS — "Brackie" played football only two years at end and made everyone proud of the Hawks. **MIKE ASHLEY** — "Rebel" was the little man with the big heart, and played a tough guard position for the Hawks. **FRED SPENCER** — "Alice" although this was his first year, he carried the speed for the Blackhawks. **LARRY WRIGHT** — "Bud" is a four-year man who has been the terror on defense.

JIM CHILDERS — "Dink" played four years as a guard. **EDGAR SPEAR** — "Egghead" helped the Hawks with only one year of playing. **DAVID URBAN** — "Gouk", a transfer from Muncie Cental, has shown his ability. **LARRY BIDDLE** — "Froggie" played tackle for his four years with the Blackhawks.

COACHES — BOB AND DON have shown us more than football; they have shown us what it takes in life: drive and determination. **JOHN SNETHEN** — "Jungle" played only two years, on defense end John put the stops on the runners. **DALE CAYLOR** — "Daddy" was injured last year, but came back this year, to tear up the half-back position. **CLOVIS RUDD** — "Butch" has been our manager for four years, and has been a help to the team's spirit.

(L. to R.): Janet Brown, Bernetta Law, Jenny Ottinger, Betty Godby.

High School Yell Leaders

We are proud of our yell leaders. They have worked hard to organize a yell block for home games, the tourney, and the sectional. Two of the girls are seniors, Bernetta and Janet; Jenny is a junior, and Betty a sophomore.

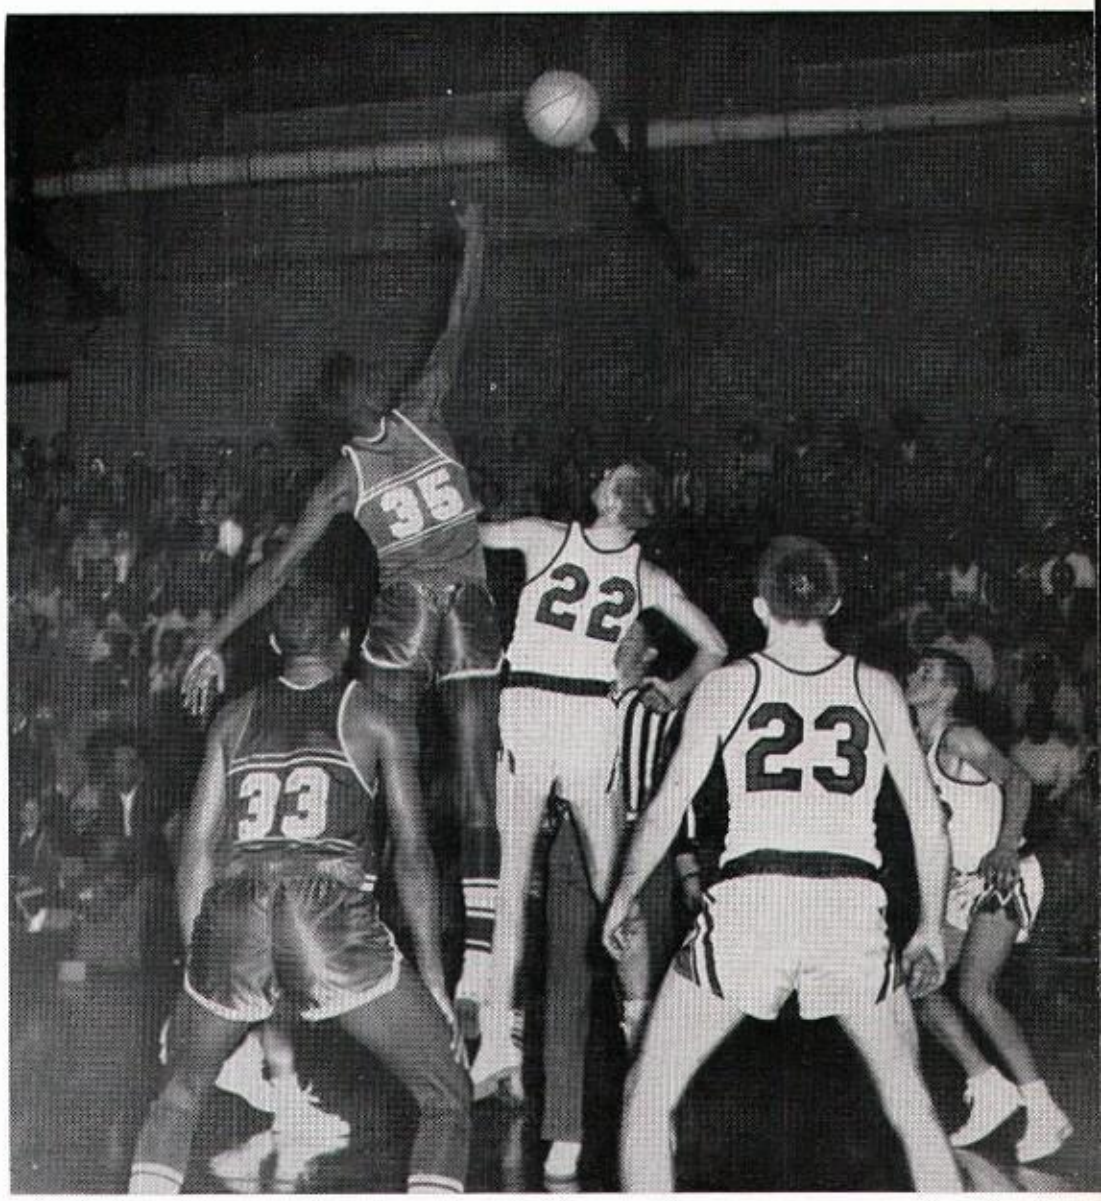
Jr. High Yell Leaders

These yell-leaders led yells for the Jr. High teams this past season. Although this is the first year for all of them, they did a good job.

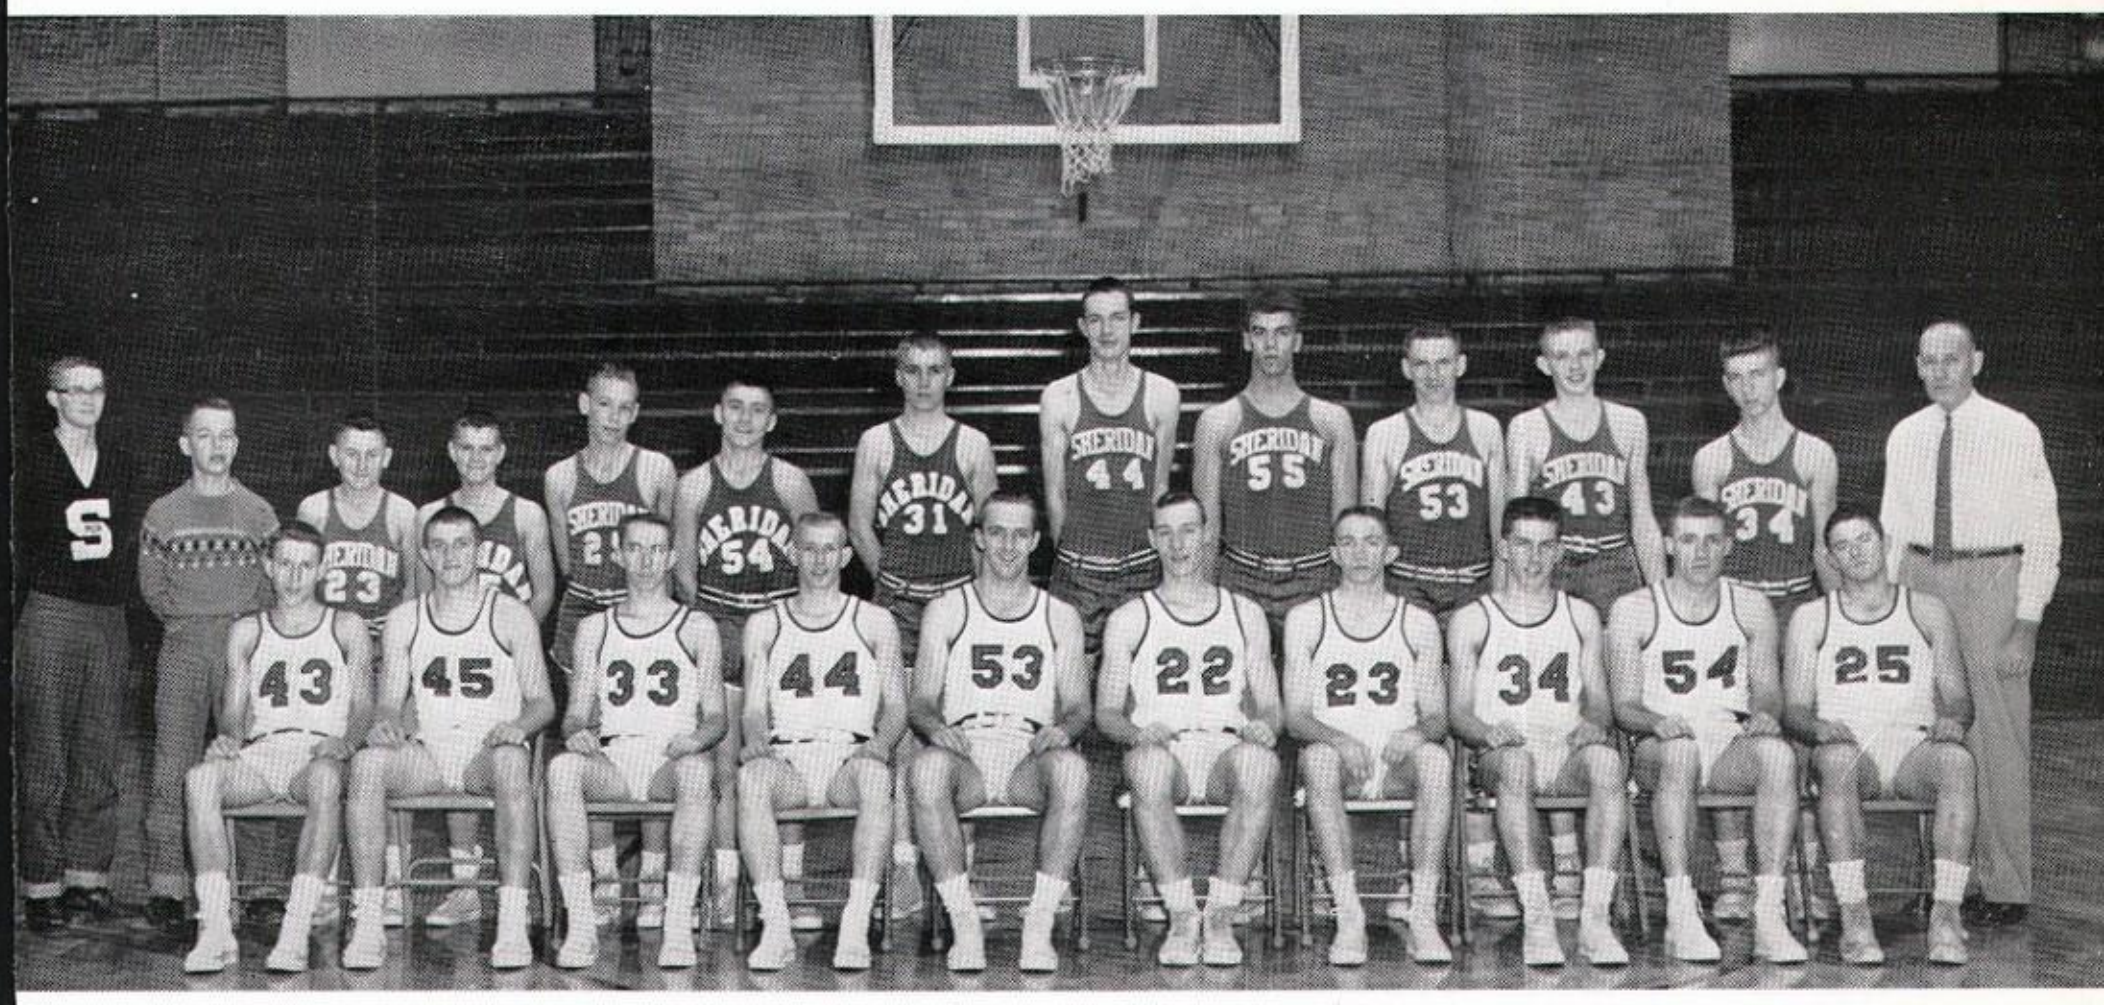
(L. to R.): Donna Swain, Bobby Robbins, Karen Gardner.

Basketball

When basketball season rolls around, it is one of the main attractions at Sheridan. This year was no exception. Our team had experience and height with four seniors, four juniors, and a sophomore; but the team got off to a slow start. However, by mid-season, the Hawks started to click, and the last part of the season won five of their six games.
This shows that the team under the leadership of Mr. Hobbs had enough desire and will to win.



Action is about to begin.

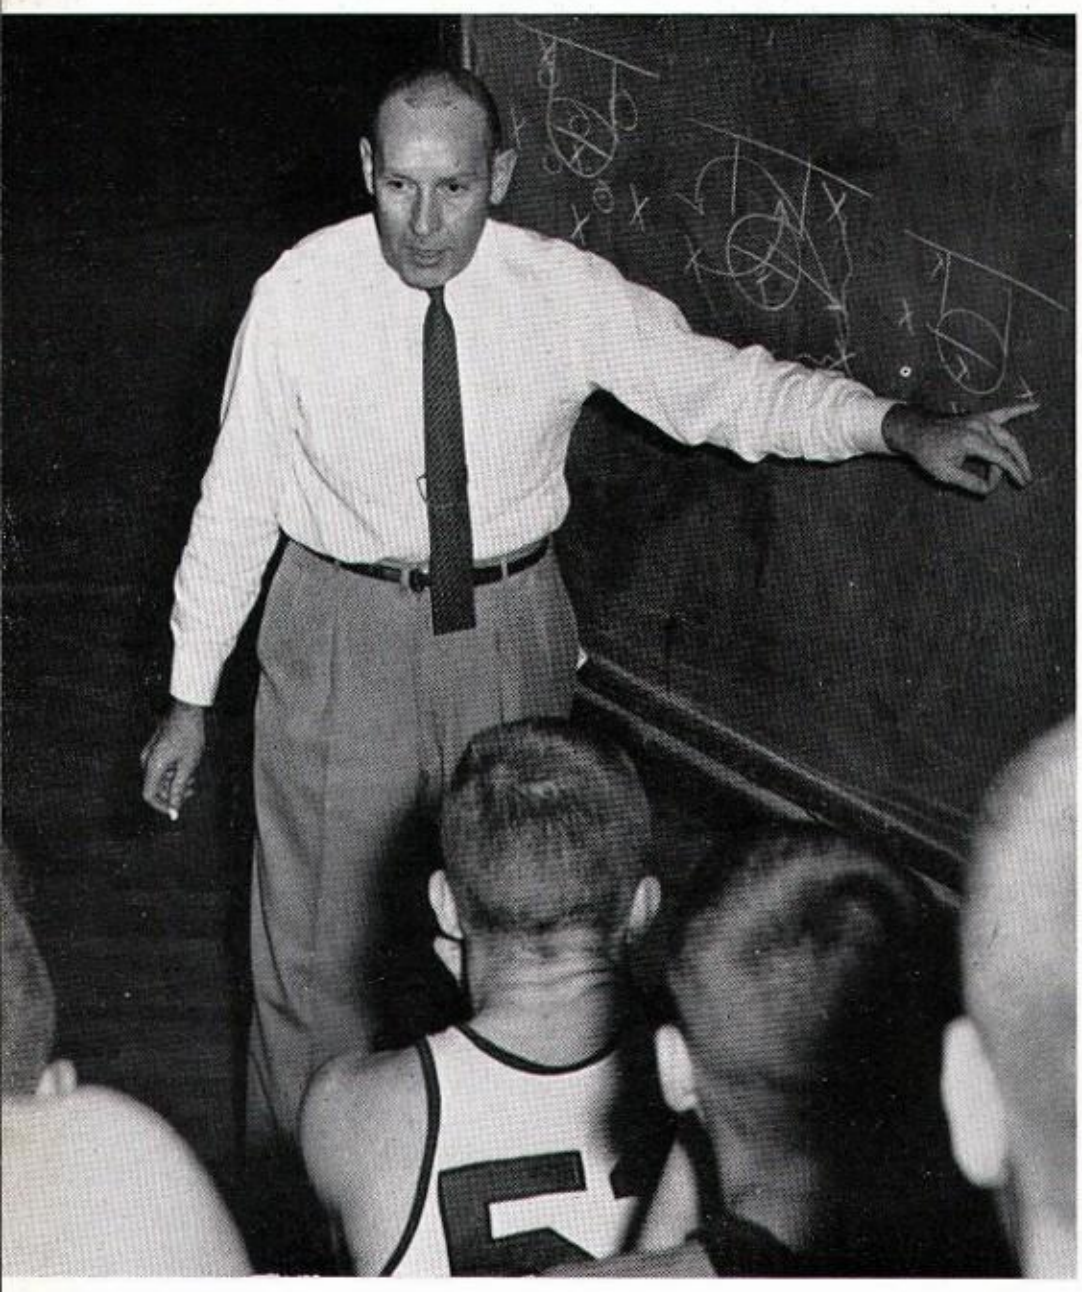


First Row (L. to R): Jim Godby, John Greeman, Bob Seats, Larry Biddle, Jerry Menke, John Holmes, Don Mendenhall, Leroy McKinley, Gerry Pumphrey.

Second Row: Larry Humes and Dave Kendall - *managers*, Eddie Barnes, Jimmy Collier, Tom Moore, Mike Grinstead, Court Blackstone, Stanley Bray, Larry Miller, Melvin Mundy, Dave Sanders, Robert Stephenson, Mr. Hobbs.

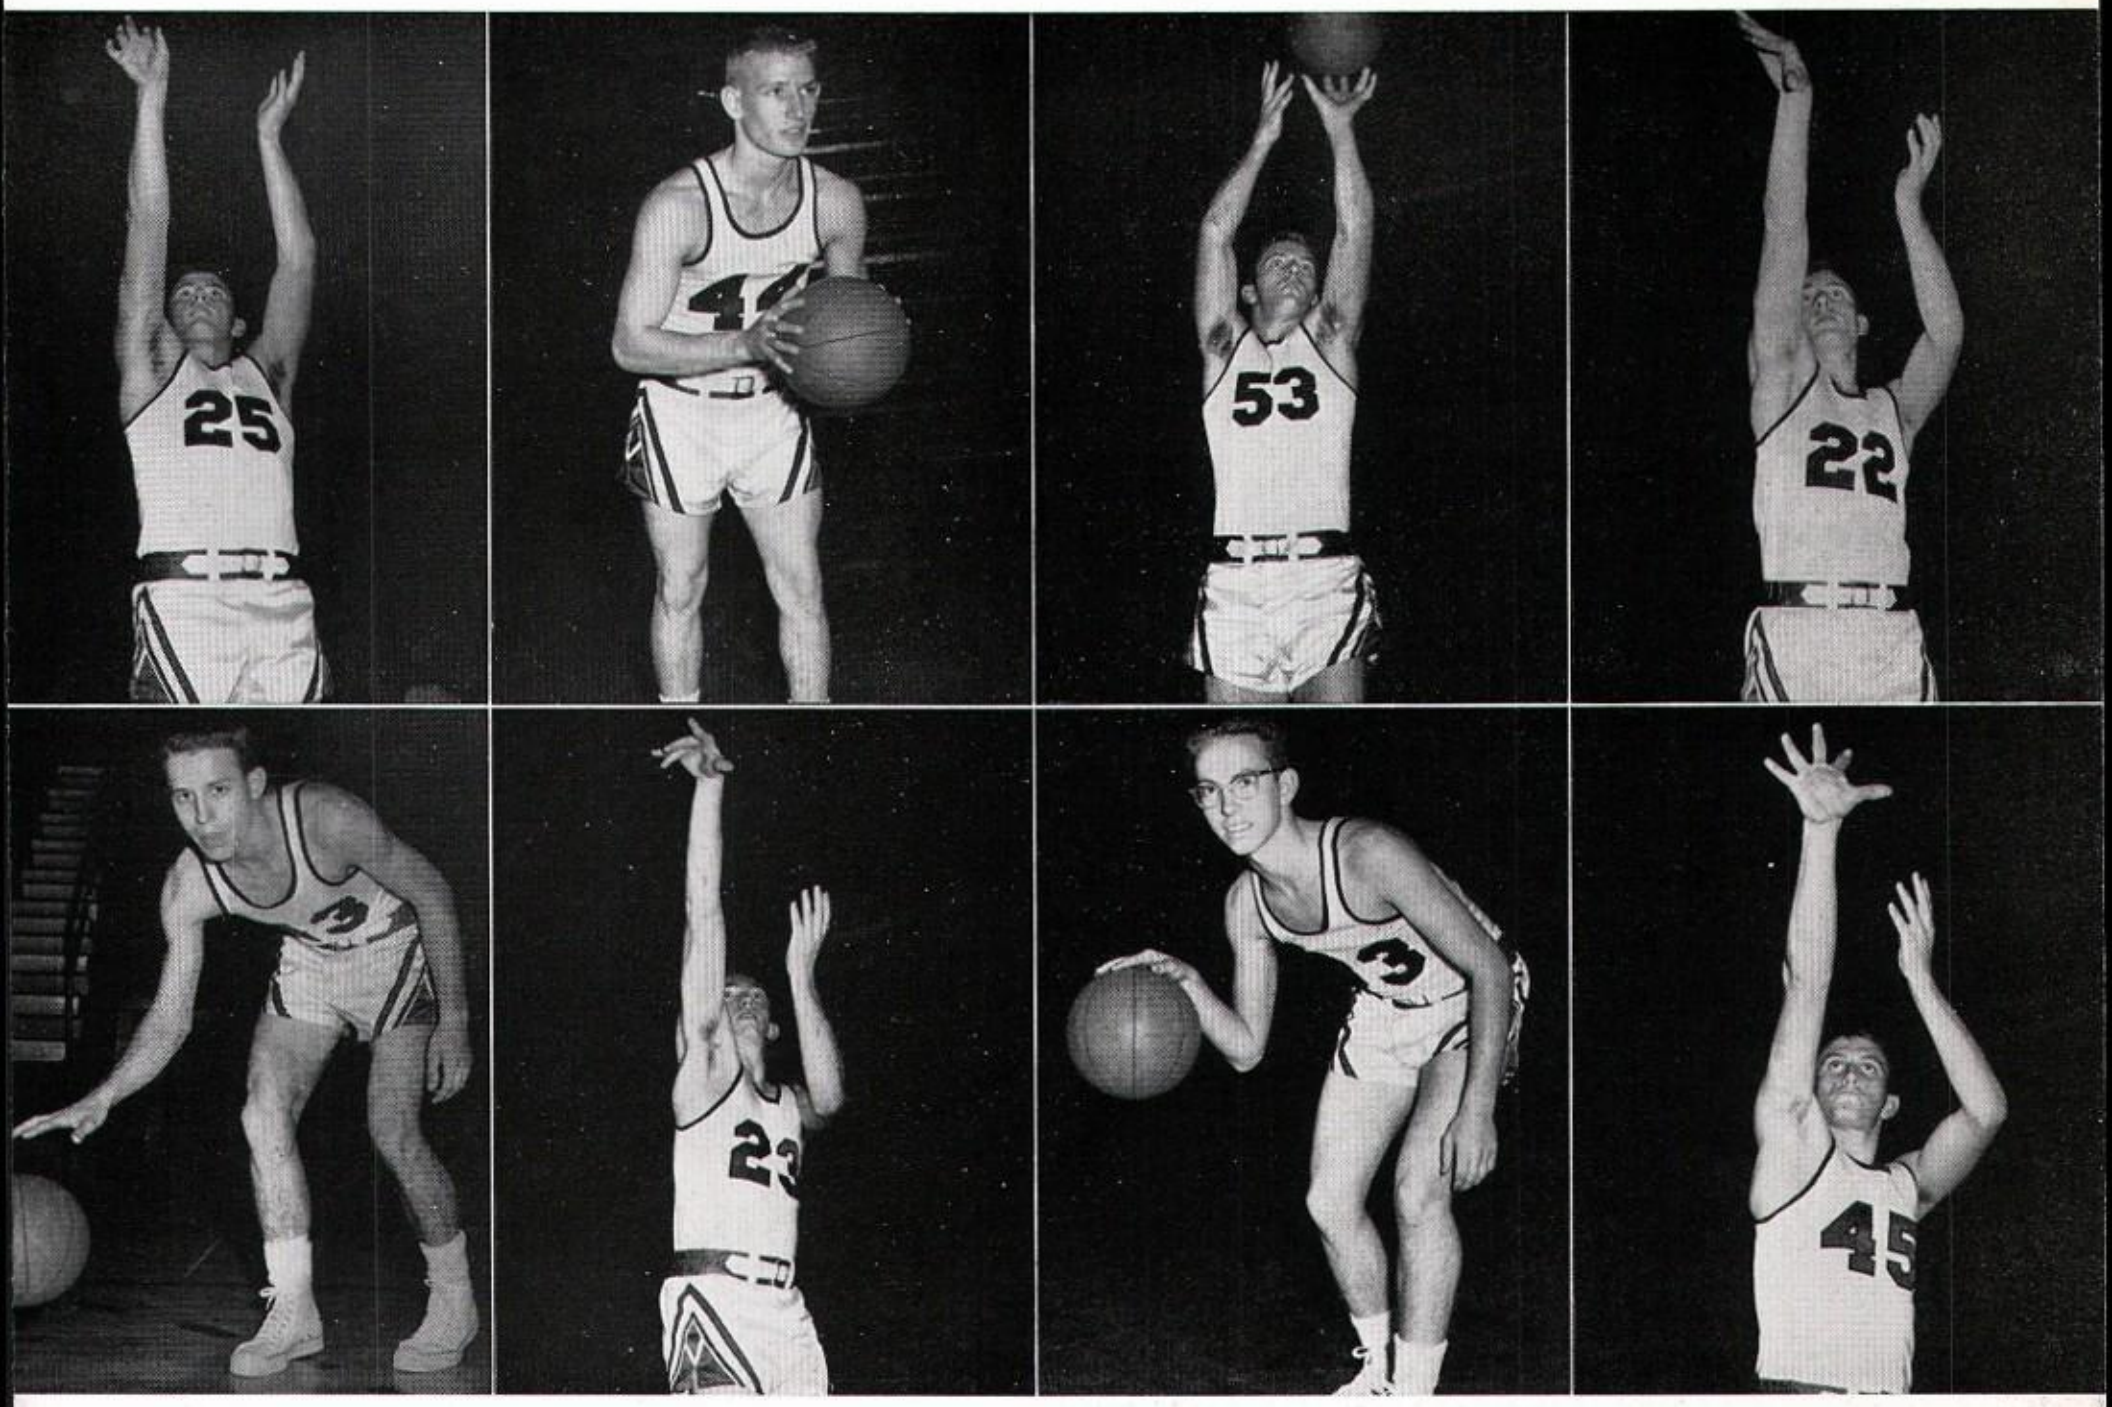
Mr. Hobbs — Our Coach

We are sorry that this will be the last time that Mr. Hobbs will appear in the yearbook as basketball coach. After 27 years of coaching, our coach has announced his resignation. Since coming to Sheridan in 1948, Mr. Hobbs has compiled a record of 220 wins and 79 losses. During this time his teams have won eight county tourneys, seven sectionals, and two regionals. He is a great coach, and a fine gentleman and creates a lasting impression on players and fans alike. We say thanks for a job well done.



Chalk - talk.

Time out for Sheridan.



GERRRY FUMPHREY — "Gunner" is a junior and a reliable reserve when the Hawks need him. **FRED SPENCER** — "Speed", is a senior and well known for his drive and accurate jump shots. **LARRY BIDDLE** — "Butch" is another senior who works well on defense and rebounding under the basket. **JERRY MENKE** is a junior tansfer from Howe, and has become one of the most valuable players for the Blackhawks.

JIM GODBY — "Flea" is a junior who has had a lot of bad luck this year, but he was a willing reserve when called upon. **JOHNNY HOLMES** — "J. B." is another junior who worked well for the Hawks this year with his rebounding and jump shot. **BOB SEATS** is a senior guard who is known for his ball handling and two-handed set shot. He will be missed next year. **JOHN GREEMAN** — "Twink" is a sophomore who has seen a lot of action for the year and will be performing for the Hawks a couple more seasons.

School Calendar

SEPTEMBER

1. We lost the 1st football game of the season to Carmel 18-14. Good luck in the coming season, Hawks.
5. With long faces, and summer vacation behind us, we headed back to school, and the halls of S.H.S. echoed with the greetings of old friend. That night we won over Delphi 27-12.
12 Mrs. Porter came to tell the seniors about class pictures, and the Blackhawks made J. C. their second victim.
15. School convocations 3rd. period with Rev. R. Hoppas as speaker.
17. The "S" Club elected officers.
18. The judging banquet was held in the school cafeteria. Man, what a feast.
21. The Poultry Judging team, on the basis of being state champions, won a trip to Richmond, Virginia.
22. The class colors and motto were finally chosen by the seniors.
27. The Dairy Judging team, State Champ in their division, left on a trip to Waterloo, Iowa.

OCTOBER

3. We won over Westfield 7-0 thus assuring Sheridan of at least a tie for the County Conference Championship.
6. Seniors started rehearsals for the Sr. Play.
7. The Hawks beat Eastern 12-6 on a last second touchdown.
10. The Sunshine Society and Boy's Council met today 1st period.
11. The Seniors went a few more miles on their senior trip when they successfully sponsored a fish fry.
13. The "B" team lost to the Noblesville reserves 46-20. Let's not hope this is a preview of this Friday's game against the Millers.
15. Although the Jr. High team lost, the "B" team beat Tipton 7-0. The F.H.A. had a "come-as-you-are" party the same night.

20. Convocation 3rd. period.
21. A majority of the students probably wished they were in Siberia as report cards were handed out today.

23. The Science Club held it's first meeting for the school year.

12. The senior class held a class meeting to plan a few money-making projects.

17. School Convocation 3rd. period with Rev. R. Johnson as speaker.

19. Everybody was all smiles as the annual photographer was here today. The seniors began to realize how soon the big day was nearing as they picked out caps and gowns.
21. The Hawks made it two games straight as they disposed of Elwood 66-49. The seniors held a chili supper before the game. Maybe that was the victory tonic.
24. The Science Cldb held its monthly meeting Monday evening, and the Jr. High won over Marion Twp.
26. A group of students presented a short Thanksgiving program before the Assembly.
27. The students of S.H.S. enjoyed a short Thanksgiving vacation to recover from stuffing ourselves with turkey and all the trimmings.
28. Too bad some ballgames can't end at the end of the 3rd quarter as we led Crispus Attucks at the end of the 3rd. but still lost 51-45.
29. Once again we managed to lead the opponents through most of the game, but still lost 84-70 to South Bend Adams.

DECEMBER

23. The Seniors held a short meeting 2nd. period. School was dismissed at 2:15 for the Christmas vacation. That night Sheridan beat Lapel 60-39.

JANUARY

5. We went back to school on Monday with a heavy heart as Sheridan lost to Greencastle and Hammond Noll over the weekend.
7. The yell block began practicing for the Co. Tourney. I wonder if they will be able to yell come Sat.
10. Sheridan fans sat dazed and stunned as Fishers broke Sheridan's grip on the Co. Tourney 43-41.

Fishers beat Walnut Grove for the championship.

16. Although our team showed considerable improvement, we lost to Tipton 58-53 in a thriller.
19. Convocation the 3rd. period with Rev. Parks as guest speaker. The time of the year that students fear is at hand. The time of the year when you try to learn a semester's learning in a week for the semester exams.
21. The annual staff took orders for the 1959 "Syllabus."
22. For once the weather was on our side as it forced school to be closed Thursday because of the icy roads and cold weather.
23. With our short vacation ended, we went back to school. The Blackhawks came out of a losing slump by beating Delphi 75-53.
27. The 2nd. semester, off to a delayed start because of the weather, started with the usual hectic changing of classes and with a few new students.
23. Sheridan made their victory string 2 in a row by beating the Lebanon Tigers, who weren't very ferocious 61-32.
30. Have the Hawks turned a new leaf? The beat Flora 77-73 and now have a record of 2 and 1 in the Hoosier Conference. The seniors ordered their invitations. Do people realize that graduating can be expensive?

16. Rev. Griffith was guest speaker at school convocation third period. F.F.A. basketball team won a close hardwood battle over the Windfall F.FA. team.

18. Sectional tickets were placed on sale for the students and teachers.
19. Drawing for 28 sectional tickets was held 1st period.
20. The Hawks were defeated in their final game by a tough Attica team 69-60. Good luck in the Sectional, Hawks, S.H.S. fans think you're the best.
23. Science Club held its monthly meeting Monday evening in the Science Room.
25. The speech class presented a skit depicting how a basketball game was held in the old Wild West. That night, all roads led to Carmel as, once again, sectional time rolled around.
26. The Hawks met their first opposition in the sectional and mauled the Eagles from Jackson Central 71-40.

29. Last day of school for all S.H.S. students. Teachers sigh and parents groan.

Left to Right: Mr. Stout, Mr. Land, Mrs. Seats, Mr. Pearson.

School Custodians

A school couldn't be run efficiently without a school custodian around to answer your plea of help. Regardless if it's a shade to fix, a new light, or to set a clock right, a custodian will come to your rescue. To these fine gentlemen, who keep our school clean and neat, we say "Thank you."

(L. to R.) Mrs. Pitts, Mrs. Wallace, Mrs. Pickett, Mrs. Rawlings, Mrs. Holmes, Mrs. Jessup.

Cafeteria Cooks

We are proud of our cafeteria. These cooks make it possible for us to have a hot meal five days a week. Do we realize how long and hard they must work to prepare just one meal? I doubt if we do. Did you ever peal 150 lbs. of potatoes for one meal, or clean 14 stalks of celery. This shows you how much they must prepare for each day.

Prophecy

United States President L. McKinley was honored guest at the annual Class reunion for the Class of 1959. The featured Speaker was Clovis Rudd, Secretary of Defense.

The Banquet was arranged by Cloyd Hawkins, deep sea oyster diver for "Diamond Stan Brady"; Evelyn Butcher of the firm The Butcher, Baker, Candlestick Maker; Diana Merrill, manager of the "House of Donzel", the famed beautician school; and Johnny Snethen, U.S. ambassador to Timbucktoo. It was held at the exclusive Shelburne, Seats, and Spear Hotel on Lake Shore Drive.

The master of cermony, Mike Gardner introduced Judy Wallwork, Virginia Nelson, and Nancy Richardson, the stars in the opera "Student Prince"; Sandra Johnson who starred in the great musical "Sing Doley"; and Butch Biddle, coach of Yale.

Entertaining for the class were: the Magician, Dave Urban swinging on his vine with his theme "Short Shorts", James Bragg and his Quim Quads with his Four Roses, Dink Childers, Mike Ashley, Dale Caylor, and Lee Brackins. A few members of the band were: Dixie playing the Bones, Ronald Demaree playing on the drums, Jerl Ramsey on the hot trombone, and Donna Alexander playing the tuba.

Sitting at the front table were Miss U.S.A., Connie Robinson with the runner-up Bernetta Law; Tiny Veihe, light-weight world champion wrestler; Mayor of Terhune, Fred Spencer, Jr.; Margorie Pritsch author of "If I Had A Million"; and Dorothy Pierce, the great P.K. kid.

Tom Evans had just returned from a safari with his guide David Harbaugh. While in Europe Evans saw Jean Haughey, countess of Luxemburg. Also returning from her annual trip around the world with her horse show was Carol Lee. Other prominent classmates were Loyd King, banker of New York City; Charley Pickett and Bob Fulwider, owners of the "Hialeah" race track in Florida; the landowner, Rosalyn Graham; and the author of "Hard Headed Woman", Wayne Wallace.

Judy Price is heir to the King Jewelry Firm. She is a great friend of Karen Thistlewaite who lives in Sheridan, Indiana.

The distinguished scientist, Mary Hinstien, proved the theory that the cheese on the moon was pink. With her was Jim Swain, head of the Atomic Energy Commission, who presented awards to three inventors: Ronald Isenhour, an award for the invention of the pickler striper; Larry Greathouse, who improvised a new vitamin pill; and Jill Reed inventor of "Look Mommy no Cavities".

The syndicated columnist Marthena Rawlings recently wrote an article "Remember your Classmates?' She interviewed such industrialists as John Hoover, manufacturer of the peanuttiest peanut buttter, Lewis Hendricks, president of Pea Picker Inc., Diana McCullough, an executive of the McCullough Chainsaw Company; and John Emry, Secretary of Clean Kleenex Corporation. She met with professional dance teachers Carol Fairchild, teacher of Cha--Cha, Kay Freeman, teacher of modern dance, and Miriam Childers, teacher of good ole rock and roll.

The class elected officers for their next reunion. Barbara Mossburg, a music teacher, President, and Barbara McCarty, editor of the love-lorn column in the Sheridan News, Secretary.

Unable to attend the Class Reunion were Sue Marlow and Luanna Wright, digging for gold in South America; Helen Stone a member of United Nations; and Larry Wright, profession- Quarter-back for the Chicago Bears.

Dave — Larry — Robert

I wish to thank Mr. Hobbs for his co-operation and his tolerance, Mrs. John Mitchell for her ceaseless guidance, the Staff for their work, and the Merchants for their generous support.

The entire Faculty, Indianapolis Engraving Company, Milliner Printing Company, S. K. Smith Company, Porter's National Studio, and the H & H Bookbinding Company have all made this book a reality.

To these go my deepest respect and gratitude.
